Call of SFRR-E honorary lectures for the SFRR-E Meeting 2027 in Porto, Portugal

Dear colleagues,

We are inviting the submission of **nominations** for the following **SFRR-E Honorary Lectures** to be presented at the SFRR-E Annual Meeting 2027, titled "Redox functionality in biological systems", which will take place in **Porto, Portugal on the 1st – 3rd September 2027**.

- **SFRR-E Annual Award Lecture**
- **SFRR-E Basic Science Award Lecture**
- **SFRR-E Clinical Award Lecture**
- **SFRR-E Catherine Pasquier Memorial Lecture**
- **SFRR-E Leopold Flohé Redox Pioneer Award**

Only current members of SFRR-E are able to submit nominations for special lectures, and must login into the member area of the SFRR-E website (<https://www.sfr-europe.org/>) and select the option "Call for Honorary Lectures for SFRR-E Porto Meeting 2027" in the menu on the left. Nominations should be submitted before or by the **deadline of 15th November 2027** as a PDF file using the word templates available on the SFRR-E website. Please find enclosed the guidelines for these honorary lectures.

An International Scientific Advisory Board will evaluate all nominations, and the SFRR-E Executive will then select nominees with the highest rankings.

Thank you for your active collaboration with SFRR-E.

Best regards,

Clare Hawkins
General Secretary of SFRR-Europe
